

WYOMING POLICE DEPARTMENT

ANNUAL REPORT 2009

JAMES E. CARMODY
CHIEF OF POLICE

Introduction

Each year the Wyoming Police Department prepares an annual report of crime statistics for the City of Wyoming, the Michigan Incident Crime Reporting (MICR) and the Federal Bureau of Investigation Uniform Crime Report (UCR). This data is compiled from offenses reported to the WYPD, monthly police reports and individual crime incident reports.

The primary objective of this annual report is to provide a reliable set of criminal justice statistics for police administration, operation, and management. The localized study of crime data enables personnel to assess the influence of crime on districts, neighborhoods, and people. Similarly, crime statistics permit analysis among neighboring jurisdictions, and with those of similar populations and other characteristics. A broad examination of the crime data allows individuals to view the nature and movement of crime, underlying changes, and fluctuations throughout the City of Wyoming, the State of Michigan, and the United States.

The WYPD is committed to improving the reliability and validity of our crime reporting data. We are attempting to achieve this goal by study and analysis of major crime indexes, and understanding the impact of classification revisions mandated by the State. As a result, some offense categories have decreased, while others increased. Our efforts are providing a reporting system that will be more accurate, valid, reliable, and compatible with State and Federal standards.

OUR COMMUNITY

Wyoming at a Glance

History

The first permanent white settlers arrived in the area in 1832, making it one of the first-settled areas of the county, and indeed the whole Western Michigan region. Initially, the area was part of Byron Township, Michigan. Wyoming Township was organized out of Byron Township in 1848. In 1933 Grandville, Michigan as incorporated from a part of Wyoming Township. Prior to this the furthest north-west square mile of the township had been annexed by Grand Rapids. In 1947 and 1948 Grandville annexed more sections of Wyoming Township. In the 1950s other portions of the township were annexed by Grandville and also Walker, Michigan.

The entire remaining township incorporated as the City of Wyoming in 1959 to protect against further annexation of land by the cities of Grand Rapids and Grandville. Wyoming is named for Wyoming County, New York, from which many early settlers came. The city's residents are a unique mix of working class/blue collar residents to middle class suburban residents. The eastern section of Wyoming was originally part of Paris Township.

In 2009, the WYPD initiated its first Training Committee at the direction of Chief Carmody. This committee is tasked with setting the yearly training cycle for in-service training, researching and evaluating new training program sources and opportunities, researching new methods of organizing and instructing training curriculums, assisting department personnel with their desired career path training, and optimizing use of our current facilities. Members are selected to serve a two-year term on the committee, except for the Training Lieutenant and Sergeant who are permanently assigned as members.

Community Programs

Neighborhood Watch Program

Our Neighborhood Watch Program encourages people in our community to have ownership of the neighborhoods by becoming more aware of their neighbors and report suspicious activity to the police. This program also encourages collaboration among neighbors to actively address community issues and concerns. Representatives of the Wyoming Police Department joined Neighborhood Watch groups in celebrating the 24th Annual National Night Out.

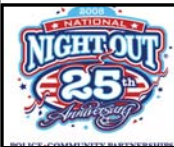

Child Watch

We have trained and screened volunteers throughout the city to assist us in providing a safe haven for children in distress. In addition to the community volunteers, the schools partner with us to provide the children with the educational to let them know the house with the watchful eye is a safe haven for them in an emergency.

Metro High School Police Academy

The Metro High School Police Academy was formed in June of 1996 as a cooperative effort between the Wyoming, Kentwood and Grandville Police Departments. It has since expanded to include the departments of Walker, Rockford, East Grand Rapids, the Kent County Sheriff's Department. Since the expansion, the program services students from over 29 different schools. The academy offers the students with forty –eight hours of instruction that is based on the Michigan Commission on Law Enforcement Standards Basic Police Training Curriculum.

National Night Out

National Night Out is a nation wide crime prevention programs that encourages people to get out and meet their neighbors. The unit coordinates with other area police agencies and our Neighborhood Watch Groups to arrange public displays of police equipment, neighborhood block parties, parades and other gatherings for the event.
